Dr Madhukar Pai, MD, PhD
Associate Professor, McGill University
Associate Director, McGill International TB Centre

Madhu Pai did his medical training and community medicine residency in Vellore, India. He completed his PhD in epidemiology at UC Berkeley, and a postdoctoral fellowship at the UCSF. He is currently an associate professor of epidemiology at McGill University in Montreal, and an Associate Director of the McGill International TB Centre. In addition, he serves as a Consultant for the Bill & Melinda Gates Foundation. He has served as co-chair of the Stop TB Partnership's Working Group on New Diagnostics.

Madhu's research is mainly focused on improving the diagnosis of tuberculosis, especially in high-burden countries like India and South Africa. His research is supported by grant funding from the Gates Foundation, Grand Challenges Canada, and Canadian Institutes of Health Research. He has more than 150 peer-reviewed publications. He is recipient of the Union Scientific Prize, Chanchlani Global Health Research Award, and Stars in Global Health award from Grand Challenges Canada.
