

Translational Health Science and Technology Institute

(An autonomous institute of Department of Biotechnology, Govt. of India)

496, Udyog Vihar Phase III, Gurgaon-122016

Recruitment Notice No.: THS/RN/1/2014

Vaccine Research Innovation (VRI) Awards

Applications are invited for the VRI awards from young scientists to work at the Vaccine and Infectious Disease Research Centre (VIDRC) of the Translational Health Science and Technology Institute (THSTI). THSTI had created VRI awards to nurture outstanding young scientists desirous of working in frontier areas of microbiology, virology, immunology, structural biology and protein chemistry under the mentorship of its senior faculty. An ideal candidate would hold a recent PhD in any of the above mentioned areas. Those who have submitted their thesis are also eligible to apply.

The award shall normally be for the duration of three years which may be extended by two more years, subject to satisfactory progress, based on a review by the committee of experts and their recommendation. The award carries a consolidated stipend of Rs.40, 000/- per month. The awardee shall not be entitled to draw any other fellowship or salary.

For application, send your recent bio-data with copies of up to two key publications in SCI-cited journals to Head-Administration at the above address by 10th March 2014. Shortlisted candidates will be invited for an interview for the final selection.
