

(An Autonomous Institute of the Department of Biotechnology, Govt. of India)
NCR Biotech Science Cluster, 3rd Milestone, Faridabad – Gurgaon Expressway, P.O. Box No. 04, Faridabad - 121001

WALK-IN-INTERVIEW FOR CLINICAL POSITIONS

Recruitment Notice No. THS / RN /22 / 2015

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology under the Ministry of Science and Technology, Govt. of India. THSTI is developed as a part of the interdisciplinary NCR Biotech Science Cluster located at Faridabad. THSTI is designed as a dynamic, interactive organization with a mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into tangible products to improve human health.
- b) THSTI has set up niche centres for research in areas relevant to planned translational work. They are: Vaccine and Infectious Disease Research Centre (VIDRC), Paediatric Biology Centre (PBC), Centre for Bio-design & Diagnostics (CBD), Drug Discovery Research Centre (DDRC), Centre for Human Microbial Ecology (CHME) and Policy Centre for Biomedical Research (PCBR). Clinical Development Services Agency (CDSA) and the National Bio-design Alliance (NBA) are THSTI's extramural centres.
- c) This recruitment is to fill up the vacancies of THSTI/RCB under the projects of PBC & CHME.
- d) PBC conducts hypothesis driven research on the biological basis of childhood health and diseases. The knowledge generated will be incorporated in THSTI institutional networks in developing diagnostic and therapeutic modalities. The interdisciplinary effort will need to knit together expertise from the fields of paediatrics, infectious disease, microbiology, immunology, cell and molecular biology, systems biology, imaging studies, clinical trials, biostatistics and epidemiology, among others. The details of project under PBC are as below:

Project Code	Project Name	Project Details
01	Glue Grant project “Developing a long term partnership for translational health research in child health	THSTI in collaboration with Regional Centre for Biotechnology and other DBT institutions has started this project at General Hospital, Gurgaon with the broad aim to conduct human research while reasonably supporting available clinical services at GCH; strengthening the clinical care of patients admitted to their departments of Paediatrics, Medicine and Neurosciences, and to facilitate their preparedness for high quality clinical and translational research.

02	“Inter Institutional program for Maternal, Neonatal and infant Sciences – A translational approach to studying Preterm Birth”	The aim is to set up a hospital-based cohort of (a) pregnant women starting from the first trimester, each of whom will be followed up until delivery (b) the children born to these women (c) Composition and dynamics of vaginal microbiomes of pregnant women will be measured. The clinical sites are Gurgaon General Hospital and Safdarjung Hospital.
03	Vitamin –D supplementation to improve immune responses to vaccine administered in early infancy – The Nutrivac D Trial	The NutriVac-D trial, a randomized control trial to assess if daily supplementation of new born with vitamin D from birth to 24 weeks of age can improve immune responses to oral polio, Hepatitis B and BCG vaccines.

e) The vision of Centre for Human Microbial Ecology (CHME) is to understand the dynamics of human microbiome and its influence on various clinical outcomes such as prematurity, malnourishment and response to vaccinations. Its aim is to harness the human microbiome for providing knowledge-based solutions for public health. The mission of CHME is to create a multidisciplinary research centre designed to conduct basic, clinical and translational research on the role of the human microbiome in health and disease. The detail of project under CHME is mentioned below:

S. No	Project Name	Project Details
04	CHME – Cohort	A Cohort is to be established under CHME with a broad aim to conduct clinical research on the period from pregnancy to the first 2 years of life of the offspring and to provide information for further analysis of the human gut microbiota in various stages of pregnancy and childhood.

f) Interested candidates, fulfilling the following criteria may appear for the walk – in – interview as per the schedule mentioned in (g).

Qualification and Experience :

S. No.	Name of the Position / Project Code / No. of Positions / Maximum monthly consolidated emoluments	Qualifications & Experience	Job Description	Age Limit (Type of position)
1.	Medical Officer (Obstetrics & Gynaecology)	MD/DNB/DGO in Obstetrics & Gynaecology / Paediatrics from a	Conducting outpatient clinics in obstetrics & gynaecology and	40 years (Clinical Position)

	<p>(Paediatrics)</p> <p>(Project Code : 01)</p> <p>Two positions out of which one position is under RCB</p> <p>Upto Rs. 56,604/-</p>	<p>University recognised by MCI.</p> <p>Or</p> <p>MBBS with at least 2 years' out of 3 years' of work experience in Obstetrics & Gynaecology /Paediatrics.</p>	<p>paediatrics for an urban and peri-urban population (includes outpatient preventive & antenatal care as per national norms). Conduct deliveries – normal, instrument assisted and caesarean section deliveries and postpartum care. Care of women and their children admitted to a district hospital in Obstetrics & Gynaecology and Paediatrics wards. Liaison with senior Obstetric & Paediatric staff at the hospital to take and follow decisions regarding care of patients. Coordinate with the study research staff for smooth implementation of study.</p>	
2.	<p>Junior Resident (Paediatrics)</p> <p>(Project Code : 01)</p> <p>Two positions</p> <p>Upto Rs. 47,633/-</p> <p>Junior Resident (Obstetrics & Gynaecology)</p> <p>(Project Code : 02)</p> <p>One position</p> <p>Upto Rs. 60,000/-</p>	<p>MBBS degree from a University recognised by MCI.</p> <p>Desirable: Experience in Paediatrics for 1 year.</p> <p>&</p> <p>MBBS degree from a University recognised by MCI.</p> <p>Desirable: Experience in Obstetrics & Gynaecology for 1 year.</p>	<p>Conducting outpatient clinics in general Paediatrics/ Obstetrics & Gynaecology for an urban and peri-urban population (includes providing outpatient preventive care as per national norms). Care of new-borns and children/ women admitted to hospital. Serve as the Paediatrician/ Obstetrician for round the clock cover of children / women admitted and those brought to the emergency at the hospital. Liaison with senior resident, senior Paediatric/ Obstetrics staff at the hospital to take and follow decisions regarding care of patients. Coordinate with the study research staff for smooth implementation of study.</p>	35 years (Clinical Position)

3.	<p>Research Officer (Project Code : 03)</p> <p>One position</p> <p>Upto Rs. 56,467/-</p> <p>Research Officer (Project Code : 04)</p> <p>One Position</p> <p>Upto Rs. 60, 000/-</p>	<p>MBBS degree from University recognised by MCI with 3 years' experience after completing internship</p> <p>OR</p> <p>MD/DNB in Paediatrics Or Obstetrics & Gynaecology</p> <p>Desirable: Experience in Paediatrics or Obstetrics or clinical research for 1 year</p>	<p>The candidates will be responsible for the coordination of interventional and observational clinical or population studies that are conducted by THSTI at its collaborative clinical sites. The job responsibility includes training and supervision of research staff, supervision of data collection and data transfer to data management centre. It will also include organization and management of the study sites. Preference will be given to candidates who are interested in enhancing their clinical research abilities by working in these research projects. There will be opportunities to enroll in 'learn while you work' short and longer term training programs during the period of their employment.</p>	<p>45 years (Clinical Position)</p>
----	--	--	--	--

The positions at serial no 1, 2 & 3 are also suitable for PwD candidates. Only those candidates with not less than 40% of relevant disability and fall in the following categories will be considered.:

- 1) *Orthopedically Impaired (OH) – OA,OL*
- 2) *Hearing Impaired (HH)*

The candidate should possess a valid certificate issued by Medical Board duly constituted by Central or State Government in this regard

4.	<p>Technician (Project Code : 02)</p> <p>One Position</p> <p>Upto Rs. 16,219/-</p> <p>Technician – II (Clinical / Field) (Project Code : 03)</p>	<p>Standard 10 with 3 years' experience in clinical field work or in laboratory doing clinical research</p> <p>OR</p> <p>Standard 12 with 1 year experience in clinical field work or in laboratory doing clinical research</p>	<p>Collection of various bio-specimens like blood, etc. processing of samples at the clinical site for analyses, transportation of bio-specimens from the hospital site to the central laboratory at THSTI. Handling and maintenance of equipment in the laboratory. Home visit to collect study health</p>	<p>35 years (Study based research position)</p>
----	---	--	---	--

	<p>Two Positions</p> <p>Upto Rs. 15,675/-</p>	<p>OR</p> <p>Degree/Diploma in MLT.</p> <p>OR</p> <p>Degree/Diploma in clinical research</p> <p>OR</p> <p>Standard 12 and diploma in Nursing & Midwifery (3 years course) plus Registration as “A” Grade Nurse</p> <p>OR</p> <p>B.Sc. (Nursing)</p> <p>OR</p> <p>Nursing “A” certificate with 3 years’ experience in hospital</p> <p>OR</p> <p>Nursing Assistant Class III & above form the Armed Forces.</p> <p>Desirable: Experience in field work or clinical work in hospital</p>	<p>information of pregnant women / infants; take anthropometry. Should have experience with maintaining compliance with clinical research protocols and maintaining quality standards.</p>

g) Date, Registration Time and Venue for walk-in-interview

Date	14th September, 2015
Registration Timing	10:30 am – 12:30 pm
Venue	Conference Room, Ground Floor, General Hospital, Jharsa Road, Opposite Municipal Committee, Gurgaon Post Office, Near Bus Stand Gurgaon- 122001

NOTE: The candidates must bring their latest resume, one set of photocopy of documents in support of their educational qualification and experience along with originals and a valid ID card for verification.

Candidates coming after the time slot mentioned will not be entertained.

GENERAL TERMS & CONDITIONS:

1. Appointment will be made on contract initially for a period of one year or upto the tenure of project, which may extended for a further period on year to year basis subject to satisfactory performance, with an initial probation period of six months that may be extended at the discretion of the competent authority.
2. The above appointments are purely contractual in nature and those appointed to these posts will not have any claim for regularization of their employment.
3. All educational, professional and technical qualification should be from a recognized Board/University.
4. The experience requirement specified shall be experience acquired after obtaining the minimum educational qualifications required for the post.
5. Persons working in Govt. or Public Sector undertaking should produce 'No Objection Certificate' at the time of Interview.
6. The age limit, qualification, experience and other requirements for the post are relaxable at the discretion of the competent authority, in case of candidates otherwise well qualified. In case candidates are not found suitable for the posts notified, they can be offered lower post / lower emoluments on the recommendation of the Selection Committee.
7. Number of positions filled will be as per the need and availability of the suitable candidates.
8. Reservation rules shall apply wherever applicable. Outstation SC/ST/ PwD candidates called for the interview will be paid to & fro second class railway fare, as per Govt. of India rules on production of the proof of the same.
9. Reservation/ Relaxation rules will apply as per Govt. of India provisions.
10. Positions will be initially based either in the THSTI's laboratories at Faridabad or at the clinical sites in Gurgaon/ New Delhi.
11. All results will be published on our website and all communications will be only through email.
12. Canvassing in any form will be a disqualification.
