

GOVERNMENT OF INDIA
MINISTRY OF SCIENCE & TECHNOLOGY
DEPARTMENT OF BIOTECHNOLOGY
NEW DELHI

Recruitment Notice No. THS/RN/04/2020

Dated: 2 January 2020

Applications/Nominations invited for the Post of Dean, THSTI

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous institute of the Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India. THSTI is a part of the interdisciplinary Biotechnology Science Cluster at Faridabad, Haryana in the National Capital Region (NCR). The institution is designed to be a dynamic enterprise with a mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into products to improve human health.
- b) THSTI has built several inter-institutional collaborations and connectivity with industry supported by well-trained teams of research and laboratory staff. This foundation has helped pursuit of thematic research programmes which can be broadly categorized as, (a) Infectious diseases and Immunology (b) Maternal and Child Health, (c) Non communicable disease d) Multidisciplinary clinical and translational research. These will be strengthened by four core facilities viz. Small Animal Facility, Data Management Center, Biorepository and Bioassay Laboratory that will serve not only the research programmes of THSTI, but also the National Capital Region Biotech Science Cluster and other academic and industrial partners.
- c) We are looking for leaders to fill up two positions of Dean. The actual number of positions that will be filled will depend upon identification of suitable candidates.
- d) The Dean will be the administrative head/mentor of the thematic research programs as mentioned above and may be delegated additional supervisory responsibilities of academics/ students affair/ campus matters/ international relationships/ etc. The Dean of THSTI will report to the Executive Director.
