

(An Autonomous Institute of the Department of Biotechnology, Govt. of India)

NCR Biotech Science Cluster, 3rd Milestone, Faridabad – Gurugram Expressway, P.O. Box No. 04, Faridabad - 121001

RECRUITMENT NOTICE NO.: THS/RN/29/2020 RECRUITMENT FOR TECHNICAL POSITIONS

- 1. Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology, Ministry of Science and Technology, Govt. of India. The institute is an integral part of the interdisciplinary NCR Biotech Science Cluster located at Faridabad, with the mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into products to improve human health.
- 2. THSTI has built several inter-institutional collaborations and connectivity with industry supported by well-trained teams of research and laboratory staff. This foundation has helped pursuit of thematic research programmes which can be broadly categorized as, (a) Infectious diseases and Immunology (b) Maternal and Child Health, (c) Non communicable disease d) Multidisciplinary clinical and translational research. These will be strengthened by four core facilities viz. Small Animal Facility, Data Management Center, Biorepository and Bioassay Laboratory that will serve not only the research programmes of THSTI, but also the National Capital Region Biotech Science Cluster and other academic and industrial partners.
- 3. This recruitment is to fill up the vacancies under the project entitled "Epidemic preparedness through rapid vaccine development: support of Indian vaccine development aligned with the global initiative of the Coalition for Epidemic Preparedness Innovations (CEPI)"
- 4. Applications are invited from eligible candidates to fill up the following positions:

S. No.	Name of the Post/ No. of Post / Max Monthly consolidated emoluments/ Age Limit	Minimum Qualifications & Experience	Domain/Job description
1.	Senior Technical Officer	PG Degree /PG Professional degree in Life Sciences with 7/6 years' of post qualification relevant experience.	Senior Technical Officer will be reporting to the Laboratory Director and will be responsible for the following:
	One post	The candidate should have hands-on experience in molecular and	

Essential Experience: Knowledge and experience in Microbiology, Virology, Molecular biology and animal cell culture. Note: The selection committee may recommend a candidate for lower grade/pay based on the qualification, skills and experience of the candidate.

"Government strives to have a work force which reflects gender balance and women candidates are encouraged to apply"

5. **GENERAL TERMS & CONDITIONS:**

- a) The appointment will be made initially on contract for a period of one year with initial probation period of six months that may be extended at the discretion of the competent authority.
- b) All educational, professional and technical qualification should be from a recognized Board/University.
- c) The experience requirement specified shall be experience acquired after obtaining the minimum educational qualifications required for the post.
- d) Persons working in Govt. / PSUs / autonomous bodies should apply through proper channel or produce a relevant 'No Objection Certificate' at the time of Interview/presentation.
- e) Age and other relaxations for direct recruits and departmental candidates: i) By 5 years for candidates belonging to SC/ST communities. ii) By 3 years for candidates belonging to OBC communities. iii). For Persons with Benchmark Disabilities (PwBD) falling under the following categories: iii(a) UR 10 years, iii(b) OBC 13 years iii(c) SC/ST 15 years iv) For Ex-servicemen upto the extent of service rendered in defence forces (Army, Navy & Air force) plus 3 years provided they have put in a minimum of 6 months attested service. v) Age is relaxable for Central Government servants up to 5 years in accordance with the instructions or orders issued by the Central Government, from time to time. vii) There is no upper age limit for the employees who are working for THSTI.
